The Great Doctrines of the Bible - William Evans 2020-04-09 The doctrines treated in this book are dealt with from the standpoint of Biblical rather than Dogmatic theology. This is evident from the plan which is followed in the work, namely, to gather together all the Scripture passages dealing with the subject under consideration, and from them choose a required number that may be called representative; then seek to understand the meaning of these references by the study of the text itself as well as its context and parallel passages; and finally, from the selected proof-texts, formulate the doctrinal teaching, and place such results under appropriate headings. The doctrines of God, Jesus Christ, and the Holy Spirit are more fully dealt with than the doctrines which follow. This is especially true of the doctrine of God. The reason for this is to set forth the method pursued in these studies, and to give a pattern for the study of the doctrines to follow. (William Evans, The Great Doctrines of the Bible)

A Call To Truth: My Search - Gary Nicks 2017-01-23 Have you ever questioned the teachings of the church? Do they make sense to you? When there are teachings you don't understand, have you ever been told, "Just take it on faith, brother!" I have! This was not acceptable to me. If God wants us to know him and his son, Jesus Christ, and the Word of God is his communication to us, then we as individuals should be able to study his Word and understand it. However, I believe that we are in the unfortunate time for the church in which the prophecy of the Apostle Paul has come to its fulfillment: For the time will come when men will not put up with sound doctrine. Instead, to suit their own desires, they will gather around them a great number of teachers to say what their itching ears want to hear. They will turn their ears away from the truth and turn aside to myths. (2 Timothy 4:3-4) This book presents many of the questions I had in my quest for truth. It addresses some of the most egregious doctrines that lead people away from understanding God's plan and how they are to fit into it. In order to effectively seek God, you must ask questions. Why? Mainly because it is just as easy to believe a lie as it is the truth. Remember John 4:23-24: Yet a time is coming and has now come when the true worshipers will worship the Father in spirit and truth, for they are the kind of worshipers the Father seeks. God is spirit, and his worshipers must worship in spirit and in truth.

Mystery Unveiled - Oma Viles 2001-07-01 Many believe Satan was once a lovely angel that rebelled against God and was cast down upon our earth. Ever wonder why God created the devil so we would need a savior? Surely if an angel could be tempted, what on earth will happen to some of us? And...if Satan lived in heaven, who tempted him? How did he become unholy? Why did he have the choice to rebel when other holy beings did not? And finally, when we get to heaven will we have that choice, too? Satan is evil and we all know it. After two thousand years, he is still trying to drag people down with him. His master plan is built on deception, and he has done a fair job at it. Millions believe that rebellion, meanness, and doing evil are acceptable in this age of open-mindedness and technology. He has even changed the doctrines of churches everywhere. Popular doctrines have been accepted as fact, but are they the true doctrines? Is it easier to accept them and go on with your life, or are you bold enough to stand up to the challenge of studying the Scriptures to find out the truth?
