Christology - Wikipedia
Definition and approaches. Christology (from Greek Χριστός Khristós and -λογία, -logia), literally "the understanding of Christ," is the study of the nature (person) and work (role in salvation) of Jesus Christ. [need quotation to verify] It studies Jesus Christ's humanity and divinity, and the relation between these two aspects; and the role he plays in salvation.

Redeemer (Christianity) - Wikipedia
The New Testament speaks of Christ as the one Saviour for all people. The First Epistle of John says that Jesus is "the propitiation for our sins and not for ours only but also for the sins of the world" ().Adherents of unlimited atonement interpret this to mean that Jesus' redemptive role is for all people without exception, while adherents of limited atonement interpret it as being for all.

Catholic American Thinker: returning us to Critical
Added Wednesday, November 6, 2013: We have pointed out, in the recent No Party America page among other places, the horrible results of moral,
demographic and political agenda changes in America, are the direct result of the purposeful indoctrination, propagandizing and educational dumbing-down of the American electorate. It is a collectivization of thought that is supplanting ...

The cultural values form a moral code, which regulates the community. For example, if the culture, values private property, it will have laws that forbid theft of property. These laws are cultural values. Cultural values influence the social order and peace. God gives peace and harmony. God is seen as the giver and guardian of the law.

30/9/2021 · Tacitus’s last major work, titled Annals, written c. 116–117 C.E., includes a biography of Nero. In 64 C.E., during a fire in Rome, Nero was suspected of secretly ordering the burning of a part of town where he wanted to carry out a building project, so he tried to shift the blame to Christians. This was the occasion for Tacitus to mention Christians, whom he despised.
