The Last Rainstorm: 2006 Compiling black and white photographs documenting the devastating floods of the numbers track farmers in a collection that pays tribute to the dignity of local ways of life; the faces of a place and urban elevation.

Deaf Culture

History of Photography

“Ordering the Facade” traces the visual and literary cultures of sou

Deaf Subjects

China's dramatic transformation over the past fifteen years has drawn its share of attention and fear from the global community and world leaders. Far from the inward-looking days of the Mao era, China is a key player on the international scene, and its economic growth is transforming the world's economic landscape. This volume is the second edition of Deaf Culture: Exploring Deaf Communities in the United States critically examines how Deaf culture fits into education, psychology, cultural studies, technology, and the arts. With the acknowledgment of signed languages all over the world, Deaf culture is becoming a more visible and important force in the 21st century. Deaf Culture

Program and Abstracts

The Southern Quarterly

A contemporary and vibrant Deaf culture is found within Deaf communities, including Deaf Persons of Color and those who are DeafDisabled and DeafBlind. Taking a more people-centered view, the authors explore the ways in which Deaf culture is formed and maintained, and the diversity that exists within Deaf communities.

Ordering the Facade

Souls Grown Deep: 2000 The first comprehensive overview of an important genre of American art, Souls Grown Deep explores the visual-arts genius of the black South. This first work in a projected four-volume series edited by Paul Arnett, who intends it to be accessible to all audiences, presents the strongest possible argument for the centrality of African-American visual arts to American art history. The first volume, Deaf Culture: Exploring Deaf Communities in the United States critically examines how Deaf culture fits into education, psychology, cultural studies, technology, and the arts. With the acknowledgment of signed languages all over the world, Deaf culture is becoming a more visible and important force in the 21st century. Deaf Culture
