In the Line of Duty-Carolyn Arnold 2016-11-04 He devoted his life to seeking justice. But would she get any for him? It was an ordinary day for police officer Barry Weir. It was the end of shift, he was tired, and he just wanted to get home to his wife and kids. But someone had other plans for him, shooting him down and forcing him to make the ultimate sacrifice. When news of Weir's murder reaches the department, it leaves Detective Madison Knight and every cop in the Stiles PD itching for revenge. It cuts Madison's boyfriend, colleague, and Weir's childhood friend, Troy Matthews, deepest of all, driving him away from everyone he loves just when they need one another the most. With evidence pointing to a gang-related drive-by, Madison and her team investigate the town's seedy underworld in search of justice for their fallen brother. But the deeper they dig, the more convoluted the case becomes. Now they need to figure out if this was a random shooting as part of a gang initiation, a straight-up hate crime, or a targeted kill. But with members of the Stiles PD under attack, they have to do it fast...before more officers pay with their lives.

In the Line of Duty-Lewis C. Rigler 1995 In a career spanning three decades, Ranger Lewis Rigler witnessed an era of great political and social turbulence and change in the state as well as within the Ranger force he had sworn to serve. He investigated kidnappings, murders, strike violence, burglary rings—all manner of cases. Some he solved; others remained elusive. Along the way, he saved a life or two; others, he could not.

All In The Line Of Duty-Amy Hudson 2016-01-07 In a hot, sun scorched English valley, a young male is found dead. A few days later in Austria, another young male is found dead. Is there a connection between the two and if so, what is it? DCI Mark Morgan from Hipton, England, together with Chief Inspector Zweig, from Mayrhofen, Austria, try to solve what might be a double murder. But there seems to be precious little to go on and progress in the case is agonisingly slow until a letter is discovered in an attic of a house in the small Austrian village of Schwendau. Could this letter hold a
clue about the deaths of the two young men? What seems to be a simple communication is far from that. It is a voice from the past, a letter which hints at a very dark time during the Second World War. There are references to Himmler and concentration camps, but this letter was never posted, so is it just a distraction for Morgan and Zweig, or is it crucial evidence in their quest to track down the killer? Time moves on and still the case is beset by complications and unknowns until a third murder is committed, back on English soil. Can Mark Morgan connect this murder with the other two and if so, what are the implications? The case goes from being an intriguing puzzle to a complex series of problems which need to be solved in a race against time, in case the killer strikes again. On the home front, Mark Morgan has problems of his own. His relationships seem to be taking a nosedive out of all control. Shocking news about his father finally comes to light and his brother is off to Russia for who knows how long, sending the family into confusion. This novel can be enjoyed as a stand-alone story in its own right with a dramatic plot, full of complex twists and turns, or it can be read as a sequel to 'The Quiet Deaths' where the central characters are introduced; chiefly DCI Mark Morgan and his family and friends. As in the first book, there are plenty of back stories where the reader can find out what’s new in the lives of the central characters. There is a lot of humour in the novel for the reader to enjoy, despite the dark tone of much of the main plot. The novel will leave readers with a lot to think about, especially in the context of war, family, trust and loyalty and raises some thorny issues to grapple with.

Flight Attendants Lost In the Line of Duty-B. Elizabeth Chabot
2018-07-10 “The pilots were attempting to return to Honolulu but with the failure of both engines on the right wing of the UAL 747, combined with massive structural damage, there was a very real possibility that they would be required to ditch. The thought of ditching into the ocean in the dark of night is daunting. The flight attendants could have secured themselves in their jump seats but instead stood in the aisles to prepare their passengers. The roar of the air rushing by at a speed of 190 to 200 knots was deafening in the cabin. The flight attendants could only “mime” the instructions for passengers to look at their Safety Cards and to demonstrate the donning of life vests.” “The Aloha 737 was severely damaged, literally now a convertible and was in emergency descent with speeds of 280 to 290 knots. The roar of the wind was deafening. The forward flight attendant had been sucked out of the cabin as it ruptured. The aft flight attendant was seriously injured. The mid flight attendant, suffering minor injuries and being the only one able, rather than securing herself in her jump seat, she crawled up and down the aisle calming her passengers and assisting the injured.” Flight Attendants Lost offers a fascinating look into what went on inside the airplane from actual aircraft accident and incident case studies spanning decades and countries. The book covers the intense training, the ongoing vigilance, the behind the scenes team work and the committed actions of flight attendants in emergency situations. It uncovers the complexities of aircraft safety design and makes sense of the reasons behind safety rules and regulations making this book an educational must read for air travellers. Flight Attendants Lost is not only an eye-opener but is a reassuring read that will make you look at flying differently. It is also a beautifully written memorial tribute to the hundreds of flight attendants who, over the years, have given their lives In the Line of Duty.

Line of Duty-Terri Blackstock 2009-05-26 At the request of her many fans—Terri Blackstock revisits the heroic cast of characters in this fifth book in her best-selling Newpointe 911 series In Line of Duty, a bomb explodes at the Icon International building in New Orleans while lawyer Jill Clark Nichols is in the top floor boardroom. The thirty-story building goes up in flames and fire departments from all around the area are called in. The firefighters from Newpointe are especially concerned since they know Jill is inside the building. Dan, her husband, rushes in to save her. But as firefighters work to evacuate the upper floors of the building, a second and third bomb explode, causing the lower floors to cave in. Firefighters and civilians are buried beneath the rubble. When the smoke finally clears, a count is taken. Jill narrowly escapes the chaos of the explosions and fire only to find Dan missing. Were the bombs the act of a terrorist, or a scheme coming from a heart of greed? Can Jill’s faith carry her through these long days of pain and uncertainty? And will Dan survive this tragedy . . . or sacrifice his life in the line of duty?
Line of Duty - The Real Story of British Police Corruption-Wensley Clarkson 2020-09-03 A fascinating insight into the true history of British police corruption, for fans of the hit BBC 1 drama. For more than a century, police officers used their uniforms to control and bully criminals, which in turn led to wholesale bribery and corruption. From Victorian times up to the 1950s, this crooked atmosphere tainted the UK police image of the 'friendly Bobby'. Then came the 1960s and 1970s when the Great Train Robbery and other bigtime heists changed the rules of the 'game' forever. It was like the Wild West out there. No one knew who were the good guys and who were the bad guys anymore. By the early 1980s, corruption was endemic amongst London's vast force of detectives. It was only now that Police commissioners across the nation finally started to tackle endemic, across the board corruption. The hit BBC show has brought these stories back to the fore and in The Line of Duty - The Real Story we go behind the contemporary headlines to explore the real inspiration behind the hit show, looking back at the history of corruption in the police, and the anti-corruption units that were set up to sniff out the bent coppers among the good. Referencing real-life historic and notable cases and people, from a range of sources and first-person interviews, The Line of Duty - The Real Story tells the truth behind the fiction, and its hard-hitting impact on real life modern policing.

Gotham Central Book 1: In The Line of Duty-Greg Rucka 2011-03-15 Gotham City: a town teeming with corrupt cops, ruthless crime lords, petty thieves ... and just a small handful that would oppose them. Grizzled veteran Harvey Bullock, Captain Maggie Sawyer, detective Renee Montoya and the GCPD are the law force that stands between order and complete anarchy. Gotham’s Finest work around the clock to not only keep the world's most psychopathic criminals off the street... but also cleaning up the mess left behind by Batman's one-man war on crime. Written by critically acclaimed authors Ed Brubaker (Captain America) and Greg Rucka (52, DETECTIVE COMICS), this Eisner Award-winning series follows the detectives of Gotham City’s Special Crimes Unit as they navigate the against the city's greatest villains — in the shadow of Batman himself. Collects issues #1-10.

Gotham Central-Greg Rucka 2011 Follows the careers and personal lives of the Gotham City police department, profiling detectives and how they handle corruption, supervillains, and the vigilante work of the Batman.

In the Line of Duty-Robert Knuckle 2006

Mostly in the Line of Duty-H. Liebaers 2012-12-06 IT ALL STARTED with the American Library Association (ALA) which wanted to celebrate its centenary in 1976 at its headquarters in Chicago. With five American librarians and non-librarians I was invited to give a centennial paper. I declined the flattering offer because I had left the profession and had no time to do any research. I added innocently, however, that I would be delighted to speak out of personal experience, for instance on the importance of American librarianship in my professional life. This proposal was accepted; I delivered the lecture and my text was printed in Libraries and the Life of the Mind. Before I had read my paper in Chicago I received a request from the International Federation of Library Associations (IFLA) to contribute with Recollections of a President to the fiftieth anniversary volume of IFLA (1927-1977). For reasons with which I agreed IFLA did not publish my paper in full, such as it is given here as chapter 10. I am confident that no one will compare the two versions in order to try to find out what has been left out in the earlier printing. Two other papers have appeared in German Festschriften, one for Kurt Koster from Frankfurt-am-Main (chapter 7) and one for Gerhard Liebers from Munster (chapter 5) the former being focussed to accord with the interest of the recipient on medieval Dutch manuscripts, the latter, for similar reasons, on library buildings.

Q and AC-12-Alex Mitchell 2020-04-14 For the benefit of the tape, Line of Duty is Jed Mercurio’s police procedural masterpiece, following the AC-12 team as they handle the murky business of - in the words of the iconic Ted Hastings - "nicking bent coppers". Packing in more twists and turns than M Night Shyamalan in an advanced tango class, the show has won countless awards and proved the breakthrough for a number of extremely talented...
cast and crew. It's also won the hearts of its viewers, with over 8 million people across the UK alone tuning in to watch the Series 5 finale as it aired on BBC1 in 2019. In a nutshell, Line of Duty has provided us with some of the greatest TV moments and the majority of the finest waistcoats of the 21st century so far, and that's why this book exists. It contains: - 300 quiz questions about Line of Duty- Questions separated into 24 individual rounds, plus an extra set of tiebreakers to separate the Arnotts from the are-nots- Each round is made up of (AC)12 questions- The questions step up in difficulty as you get further and further through the bookAnd if you haven't watched all of Line of Duty yet, please be aware that this book contains spoilers (obviously). Now, ready to be interrogated?

**Line of Duty**- 2012 When a counter-terrorism raid goes tragically wrong, Detective Sergeant Steve Arnott (Martin Compston) refuses to participate in a cover-up. Ostracised by colleagues, he transfers to anti-corruption unit, AC-12, in the process of investigating one of the Force's most respected officers, Detective Chief Inspector Tony Gates (Lennie James). Not only has Gates just been awarded Officer of the Year, his squad has returned the best crime figures for three consecutive years. But Arnott is convinced that Gates' results are too good to be true and, determined to expose Gates as a fraud, the two become embroiled in a thrilling game of cat-and-mouse. Every time Gates seems cornered, he finds a way to turn the tables still believing he can save himself. But all the while he's digging a bigger hole for himself, plunging irrevocably into a moral abyss. And each day the stakes get higher. Soon it isn't just careers on the line - it's lives. Line of Duty is a hard-hitting, fast-paced thriller delving into the murky world of police corruption.

**In the Line of Duty**- Ami Weaver 2014-01-03 Ever since Callie Marshall's husband died in the line of duty, leaving her and their sons behind, the boys have become her absolute priority. She's doing her best to minimize any risk to their carefully ordered world . . . Ex-soldier Matt Bowden's middle name is "risk." Struggling to cope with his return to civilian life, he channels his energies into his adventure company. Callie has always been able to knock the air from his lungs, but she was his friend's wife and he's used to burying his feelings. Now everything's changed, and Callie needs someone to step up . . . Is Matt the risk she's been holding out for?

**And Devious the Line of Duty**- Tom Godwin 2010-10-01 Sometimes the most diligent and loyal thing an old man can do is fumble, drink beer, and let a young man get into trouble....
who patrolled London’s streets and who lost their lives in the line of duty. Many of the police officers died carrying out run-of-the-mill police duties; from PC Nat Edgar, shot in 1948 by a burglar to PC Patrick Dunne, the home beat officer murdered while investigating a domestic incident in 1993; it took 13 years for his killer to be brought to justice. WPC Yvonne Fletcher was mercilessly gunned-down policing a demonstration in Central London in 1984, as was Detective Sergeant Ray Purdy, whilst arresting a cheap blackmailer. PC Ray Summers, an officer with less than two years service, stabbed to death as he broke up a gang fight, and the three-man crew of the iQi car wiped out by gunmen in 1966, all feature in these pages. There are the thrilling stories of the investigations into the IRA after the murder of PC Stephen Tibble and the horrific bombing of Harrods store which cost three brave police officers their lives. Retired detective Dick Kirby has drawn deep on his knowledge and contacts within and outside the Metropolitan Police to track down those people who were there, who were involved in the investigations and those who were left behind; and how the trauma of losing a colleague or a loved one affected them. Written in his trademark gripping authoritative style, Death on the Beat, Dick Kirby's ninth book, promises to be the best yet.

In the Line of Duty - Carolyn Arnold 2016-09-29 “A roller-coaster ride of a plot with all manner of twists and turns.” –Midwest Book Review Joni Weir kissed her husband goodbye just that morning, but she never figured it would be the last time she’d see him alive. When the news hits that Officer Barry Weir was shot and killed in the line of duty, Detective Madison Knight and every cop in Stiles is itching for revenge. With evidence pointing to a drive-by shooting, the investigation takes Madison into the seedy underbelly of the city in the search for justice. But as she digs, the evidence only becomes more puzzling. With emotions running high, Madison’s relationships are tested to their breaking point. Troy Matthews, her boyfriend and colleague, also Weir’s childhood friend, is cut deeply, and his grief drives a wedge between them. But she’s not going to let her own pain stop her from getting to the truth. Madison will push through—for Troy, but also for Weir’s wife and three young daughters—and figure out if Weir was murdered as part of a gang initiation, a straight-up hate crime, or a targeted kill. But with members of the Stiles PD possibly under attack, she has to do it fast. Before more officers pay with their lives. A brilliant action-packed mystery with heart-stopping twists. Perfect for fans of Robert Dugoni, J.D. Robb, and Lisa Regan. Readers love In the Line of Duty: “Fans of crime fiction will be moved and enthralled by In the Line of Duty, as much an action-packed mystery as it is a heartfelt tribute to police who give up their lives to protect others.” -Publishers Weekly “A hard-hitting, emotional novel.” – Publishers Weekly “Arnold...makes us feel a roller coaster of emotions.” “I absolutely loved this book.” “I actually could see it being a movie.” “Arnold puts words and feelings in this book that are true to life. Great writer and series.” “Brilliant as usual.” “An insightful look into the lives and losses our country’s heroes face every day on the front lines.” “This book absolutely kept me guessing until the killer was revealed.” “The twists and turns will leave your head spinning, in a good way.”

Policemen who died in the line of duty - 19??

Leadership in the Line of Duty - John Salkowski 2013-05-01

In the Line of Duty-Lisa Arnoux-Brown 2007-11 The heroes of In the Line of Duty and In the Line of Duty: Vendetta return for another adventurous romp in this suspenseful tale of love, jealousy, conspiracy, and crime. Emma Solano knew she had her hands full when she married her husband, British agent Earl. But now that they've had a child, she's expecting their life to settle down. She couldn't be more wrong. When Earl agrees to fly to England to help the Bureau track down a double agent, Emma has every confidence that he will return quickly. But when an urgent news flash announces that Earl has been shot during an attempted assassination of the Prime Minister, all bets are off. Emma flies across the ocean to help care for Earl, but shortly after arriving, she realizes she and her husband have fallen into a dangerous and life-threatening trap. With Earl's wounds a liability, Emma must use all her wits to destroy the enemy before it's too late.

In the Line of Duty-Cathryn Fox 2017 His strings to pull: A whirlwind affair...or a headlong plunge into the deep end of forever?

Killed in the Line of Duty-1992 The Federal Bureau of Investigation's Uniform Crime Reports Section selected and analyzed 51 incidents of police officer killings in order to evaluate the psychology of the offender, the behavior of the police officer, and circumstances in which the police officer lost his or her life. The study was conducted over a 3-year period; the 51 incidents resulted in the death of 54 police officers and involved 50 offenders. Results demonstrated that, while no single offender profile could be established, most killers of police officers had been diagnosed as having some type of personality disorder. Behavioral descriptors of victims were frequently similar in that they were good-natured and more conservative than their fellow officers in the use of physical force. The incidents themselves revealed that killings were often facilitated by some type of procedural miscue (e.g., improper approach to a vehicle). Type of assignment, circumstances at the scene of an encounter, weapons involved, and the environment in which events occurred all played a role in the preponderance of police officer deaths in the South. The report presents extensive information on the victims, offenders, and incidents studied. It identifies personality types of offenders, provides guidance on how individuals of a given personality type interact with authority figures, and offers approaches to interrogation. The report also points out specific areas where law enforcement training and procedures may be improved. Appendixes contain the study methodology and a description of personality types.

Killed in the Line of Duty-Tony Miranda 1998

Line of Duty-VK Powell 2019-12-10 What happens when a police officer's fight for justice conflicts with an ER doctor's commitment to patient care? Police officer Finley Masters wants to interview an injured suspect and make an arrest so she can move on to the next case. As long as she keeps closing cases she can hide the pain of caring for her alcoholic father. Dr. Dylan Carlyle dedicates herself to healing the sick and looking after her family. She doesn't have time for dating, especially not a reckless cop who thinks she's God's gift to women. When Finley Masters strolls into the emergency room making demands, Dylan protects her turf and her heart. A tragic incident brings them together, but their feelings keep them coming back.

**Tonfa (Police Baton) Techniques for official use in the line of duty** - Bodo Günther 2018-05-04
This book, written by an experienced German police officer and a long-time active martial artist, is structured professionally and purposefully. This is not about individual tonfa tricks, but rather simple solutions to the question: How can critical situations-with the involvement of the Tonfas-be successfully managed? This book is a good tool for those who want to achieve the training goal of effectively preventing attacks against themselves and their colleagues while maintaining legality.

The first book of the author, Tonfa for police, security and Bundeswehr dealt with the basic techniques and the laws to be observed in Germany.

This book deals with the practical application. The TONFA is not considered in isolation, but is combined with practice-proven martial arts techniques. If you take the book with you for training, you want to be able to immediately recognize how the presented technique sequences are to be executed. That is why all technique combinations have been designed to be overseeable and quickly understandable. The integrated detailed and background knowledge is important and helps to be able to use the Tonfa even more efficiently. These include topic-related research results from conflict research and well-explanatory quotes from international martial arts experts on the subject of dueling.

Content:
- Task-related tonfa handling
- Keeping people away
- Arresting and transporting techniques
- Effective blocks in conjunction with meaningful counterattacks
- Training tips and suggestions on the subject of a sudden knife attack.

**The Final Beat** - Liz Walsh 2001
No member of the Garda Siochana died in the line of duty between 1942 and 1970. Since that date, 14 members of the force have paid the supreme price. Final Beat is their story.
